# CORPORATE PROFILE

## **OUR MISSION**

**We aim to be a highly technical driven organization which is committed to provide maximum satisfactory services and to create value for all its valued customers**

## **OUR VISSION**

**To help our customers increase their productivity, performance and profit potential**

## **OBJECTIVE**

**The objective of the company is to research, develop and provide total construction & engineering solutions to our valued customers**

# INTRODUCTION

**ANTARA BAGAN SDN BHD's was established in the year 2012. In the initial stages the company's main activity was mechanical engineering focusing on steel structural fabrication & installation works and related industry based operations.**

**Over the last few years since 2017, we undertook steel structural and civil engineering works. To meet the challenges of the construction industry today, we are supported by a team of professional and experienced civil & mechanical engineers as well as other experienced staff in the relevant fields of discipline. We also have highly qualified and experienced in-house Project Managers & Engineers to handle any assignment in the most professional approach.**

**ANTARA BAGAN gradually grew and ventured further into more diversified Civil Construction work and managed to achieve the highest grade G7 status with the Construction Industry Development Board (CIDB) of Malaysia in the year 2014. In mid 2021 Antara Bagan undertook a corporate restructuring exercise and achieved Bumiputera status.**
